Topic 1

Defining **marketing** for the new realities

Zsuzsanna Szalkai, PhD

associate professor

Department of Management and Business Economics

szalkai.zsuzsanna@gtk.bme.hu

Course materials

- ❖ Kotler, Philip and Keller, Kevin Lane (2016):
Marketing Management. Global Edition.
Pearson Education Limited. **Chapters 1-10.**
**Printed books are available at the University
library**
- ❖ **Lecture slides and all other materials** will be
available on Moodle:

<http://edu.gtk.bme.hu>

Learning Objectives

1. Why is marketing important?
2. What is the scope of marketing?
3. What are some core marketing concepts?
4. What forces are defining the new marketing realities?
5. What new capabilities have these forces given consumers and companies?
6. What does a holistic marketing philosophy include?
7. What tasks are necessary for successful marketing management?

- ❖ Financial success often depends on marketing ability
- ❖ Successful marketing builds demand for products and services, which, in turn, **creates jobs**
- ❖ Marketing builds strong brands and a loyal customer base, intangible assets that contribute heavily to the value of a firm

The Value of Marketing

„Marketing is too important to be left only to the marketing department”
(David Packard)

The history of marketing

<https://www.youtube.com/watch?v=sR-qL7QdVZQ>

The Scope of Marketing

- **Marketing** is about identifying and meeting human and social needs
- AMA's formal definition: *Marketing is the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large*

- The art and science of choosing target markets and getting, keeping, and growing customers through creating, delivering, and communicating superior customer value

Marketing Management

Who are the best marketers?

- Goods
- Services
- Events
- Experiences
- Persons

What is marketed?

- Places
- Properties
- Organizations
- Information
- Ideas

Who markets?

A **marketer** is someone who seeks a response—attention, a purchase, a vote, a donation—from another party, called the **prospect**

A Simple Marketing System

Core Marketing Concepts

- **Needs:** the basic human requirements such as for air, food, water, clothing, and shelter
- **Wants:** specific objects that might satisfy the need
- **Demands:** wants for specific products backed by an ability to pay

Types of Needs

STATED: The customer wants an inexpensive car

REAL: The customer wants a car whose operating cost, not initial price is low

UNSTATED: The customer expects good service from the dealer

DELIGHT: The customer would like the dealer to include an extra service

SECRET: The customer wants friends to see him or her a savvy consumer

- Target markets, positioning, segmentation
- Offerings and **brands**
- Marketing channels: **communication, distribution and service channels**
- Paid, owned and earned media

An offering from a known source

Core Marketing Concepts

- Impressions and **engagement**
- Value and satisfaction
- Supply chain
- Competition
- Marketing environment: **task environment and broad environment**

A customer's attention and active involvement with a communication

Core Marketing Concepts

- **Paid media:** TV, magazine and display ads, paid search, and sponsorships
- **Owned media:** a company or brand brochure, web site, blog, Facebook page, or twitter account
- **Earned media:** word of mouth, buzz, or viral marketing

Core Marketing Concepts

- **Impressions:** occur when consumers view a communication
- **Engagement:** the extent of a customer's attention and active involvement with a communication

Core Marketing Concepts

- **Value:** a combination of quality, service, and price (*qsp*: the customer value triad)
- **Satisfaction:** a person's judgment of a product's perceived performance in relationship to expectations

The New Marketing Realities

- Technology →
- Globalization
- Social responsibility

Gartner Top Strategic Technology Trends for 2026

● Now (1–3 years) ○ Near (3–5 years)
